

Diesel Technicians Needed

Training Provided and Careers Available!

No Experience? Doesn't Matter! ***We Train!***
Our Employers Are Hiring.

⇒ **Pro-MECH™** offers a 4-week entry-level training program for aspiring Diesel Technicians called **TechSpedite™**. The course runs Monday through Friday from 8am-5pm once every month.

⇒ **TechSpedite™** is a training program offering hands-on instruction using live equipment in a shop setting that mirrors the work environment of diesel equipment technicians.

⇒ **Pro-MECH™** has an **88% job placement rate** and provides job placement assistance locally and nationally by leveraging relationships with employers.

⇒ The 4 week entry level training program is conducted in Avon, NY, however employment opportunities upon graduation are both local and national and willingness to relocate is a plus.

Requirements preferred by employers:

- Must be 18 years of age
- Valid Driver's License or reliable transportation
- HS Diploma or GED
- Ability to pass a background check

Starting Pay:

\$15.00 to \$25.00/hour
upon completion of training

Tuition assistance and grants are available for qualified students who meet requirements.
